Comments:

The Nonadmitted and Reinsurance Reform Act (NRRA) was enacted into law in July 2010 as part of the Dodd-Frank Wall Street Reform and Consumer Protection Act and became effective in July 2011. A number of states have revised their laws and regulations to conform to the new law, and many more have legislation or interpretive guidance pending. The new state laws focus on surplus lines premium taxation and/or other issues addressed by the NRRA. Because of the changing rules and new laws, we may modify or update taxes or other items needed with this policy. You acknowledge that the actual applicable surplus lines taxes and/or fees may therefore be different than those shown on this document, and your acceptance of this constitutes your agreement to pay any additional amount that may be required by the state.
