Re: Black Lake Special District Assessments

Dear Lake:

We are preparing for the annual billing for the year 2019. We use a combined statement that includes both taxes and other charges - your assessments. Because the billing covers property taxes, it is imperative that they are mailed timely. In order to assure that your assessments will be included on the statement, please meet the dates below for submission of your file:

November 16, 2018	District submits text file to Treasurers office
November 19 - 28, 2018	Treasurer runs in test and reports exceptions to the District
December 14, 2018	District advises Treasurers office on handling of exceptions
January 2, 2019	Treasurer adds special assessment to the ASCEND system for billing & collection purposes.

If you are unable to submit your files to us by the above dates, please let us know immediately. We cannot guarantee including your charges on the main tax bill, if you miss these dates and we are making normal progress on getting the tax statement out.

If you plan on assistance from either Thurston County Central Services or the Thurston Geodata center, we suggest that you contact them prior to the November 16th deadline.

Our office is responsible for collecting and disbursing the special assessment charges based on what you determine needs to be collected. While we do coordinate the billing, we cannot assist you with determining which parcels should be included in your roll.
